SUPPORT our town's Living Library

This **November 18th**, we will be hosting Entreamigos' second annual super fun Library Fundraiser!! This town wide Scavenger Hunt is a great way to ensure that our community continues to have free access to over 10,000 books, after-school classes, a computer lab with 10 computers with high-speed internet, English lessons, work and play spaces with games, puzzles and more!

We are looking for enthusiastic, fun loving humans to be team captains! Each team can have up to 8 people total, including adults or children and must raise $1,000 usd or $18.000 pesos by **November 10th** to participate in the Scavenger Hunt. All teams will be provided with an online GiveSmart campaign to collect donations and a media kit with helpful information to assist in the fundraising efforts.
You build the team, and we will help support you all the way through!

The idea is to raise FUNds and have FUN!

Check out what last year's team captains say about the experience:

We had so much fun participating in the fundraiser scavenger hunt last year. Bravo to the EA team for being so incredibly organized and thoughtful. Everyone from kids to grown-up kids loved competing and, better than anything, getting to know San Pancho and each other better. Great experience, wonderful organization. ~Lenora Suki

When I was asked to be a team lead for the EA scavenger hunt last year I begrudgingly said yes, I'm usually not one to take the lead on things like that. It ended up being not only super easy to manage thanks to the support from the EA staff, but extremely fun! The EA team made it really easy to be a team lead, and then the payoff of the actual scavenger hunt was totally worth it. So much fun zooming around town with the crew in a golf cart, we were all smiles and laughs all day. ~KT Barous

WOW WOW WOW

What great fun. From decorating our golf cart to setting off to complete our list we were all laughing and screaming. Not only did we have to do weird things in weird places and send photos back to EA but we also had to captivate local residents by getting them to participate.

The look on the faces of participants was priceless and everyone was good natured as we hurried away to the next station for a photo. I personally thought it was one of the best fundraisers I have ever attended. No speeches, auctions, drinking and eating, just pure FUN. And the best was EA raised a LOT of money. So if there is any doubt in your mind that you won't enjoy, dispel it now. Let's have another Scavenger Hunt!! ~Karoul Talaba
